

# ANDERSON LINKS

Go Green - Go Golfing!

Inaugurated in 2007, Anderson Links offers unique features and is a challenging course to golfers of all levels. We have a licensed clubhouse featuring two dining areas on the main level, a wraparound veranda, three private meeting rooms on the second level, a well outfitted Pro Shop and food accompanied with our beverage carts on course for the convenience of our guests.

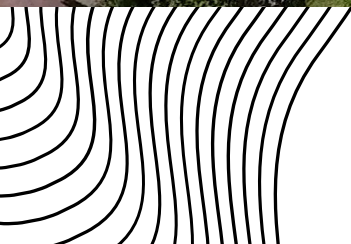

Our beautiful 27-hole course can accommodate a number of tournament formats that will best suit the needs of your group. We will work with you to provide a variety of packages to fit within your budget.

We offer delectable breakfasts, BBQ lunches & dinners will satisfy your wishes, whether plated or buffet style.

The fairways are not only fair, but they are surrounded by mature pine and maple trees, as well as water and fescues.

We have beauty and variety in our landscapes. Your ability to make great shots is improved by our strategic placement of numerous sand traps.

The magnificent large tee decks provide each golfer with an exceptional start to a successful conclusion of each hole.

Graham Cooke, our world renowned golf course architect, has created a unique golfing challenge by blending nature and location.
